INABA DENKO

Premium Trunking System

SLIMDUCT

Aesthetic Colours for Modern Exteriors

Designed for Modern Architecture

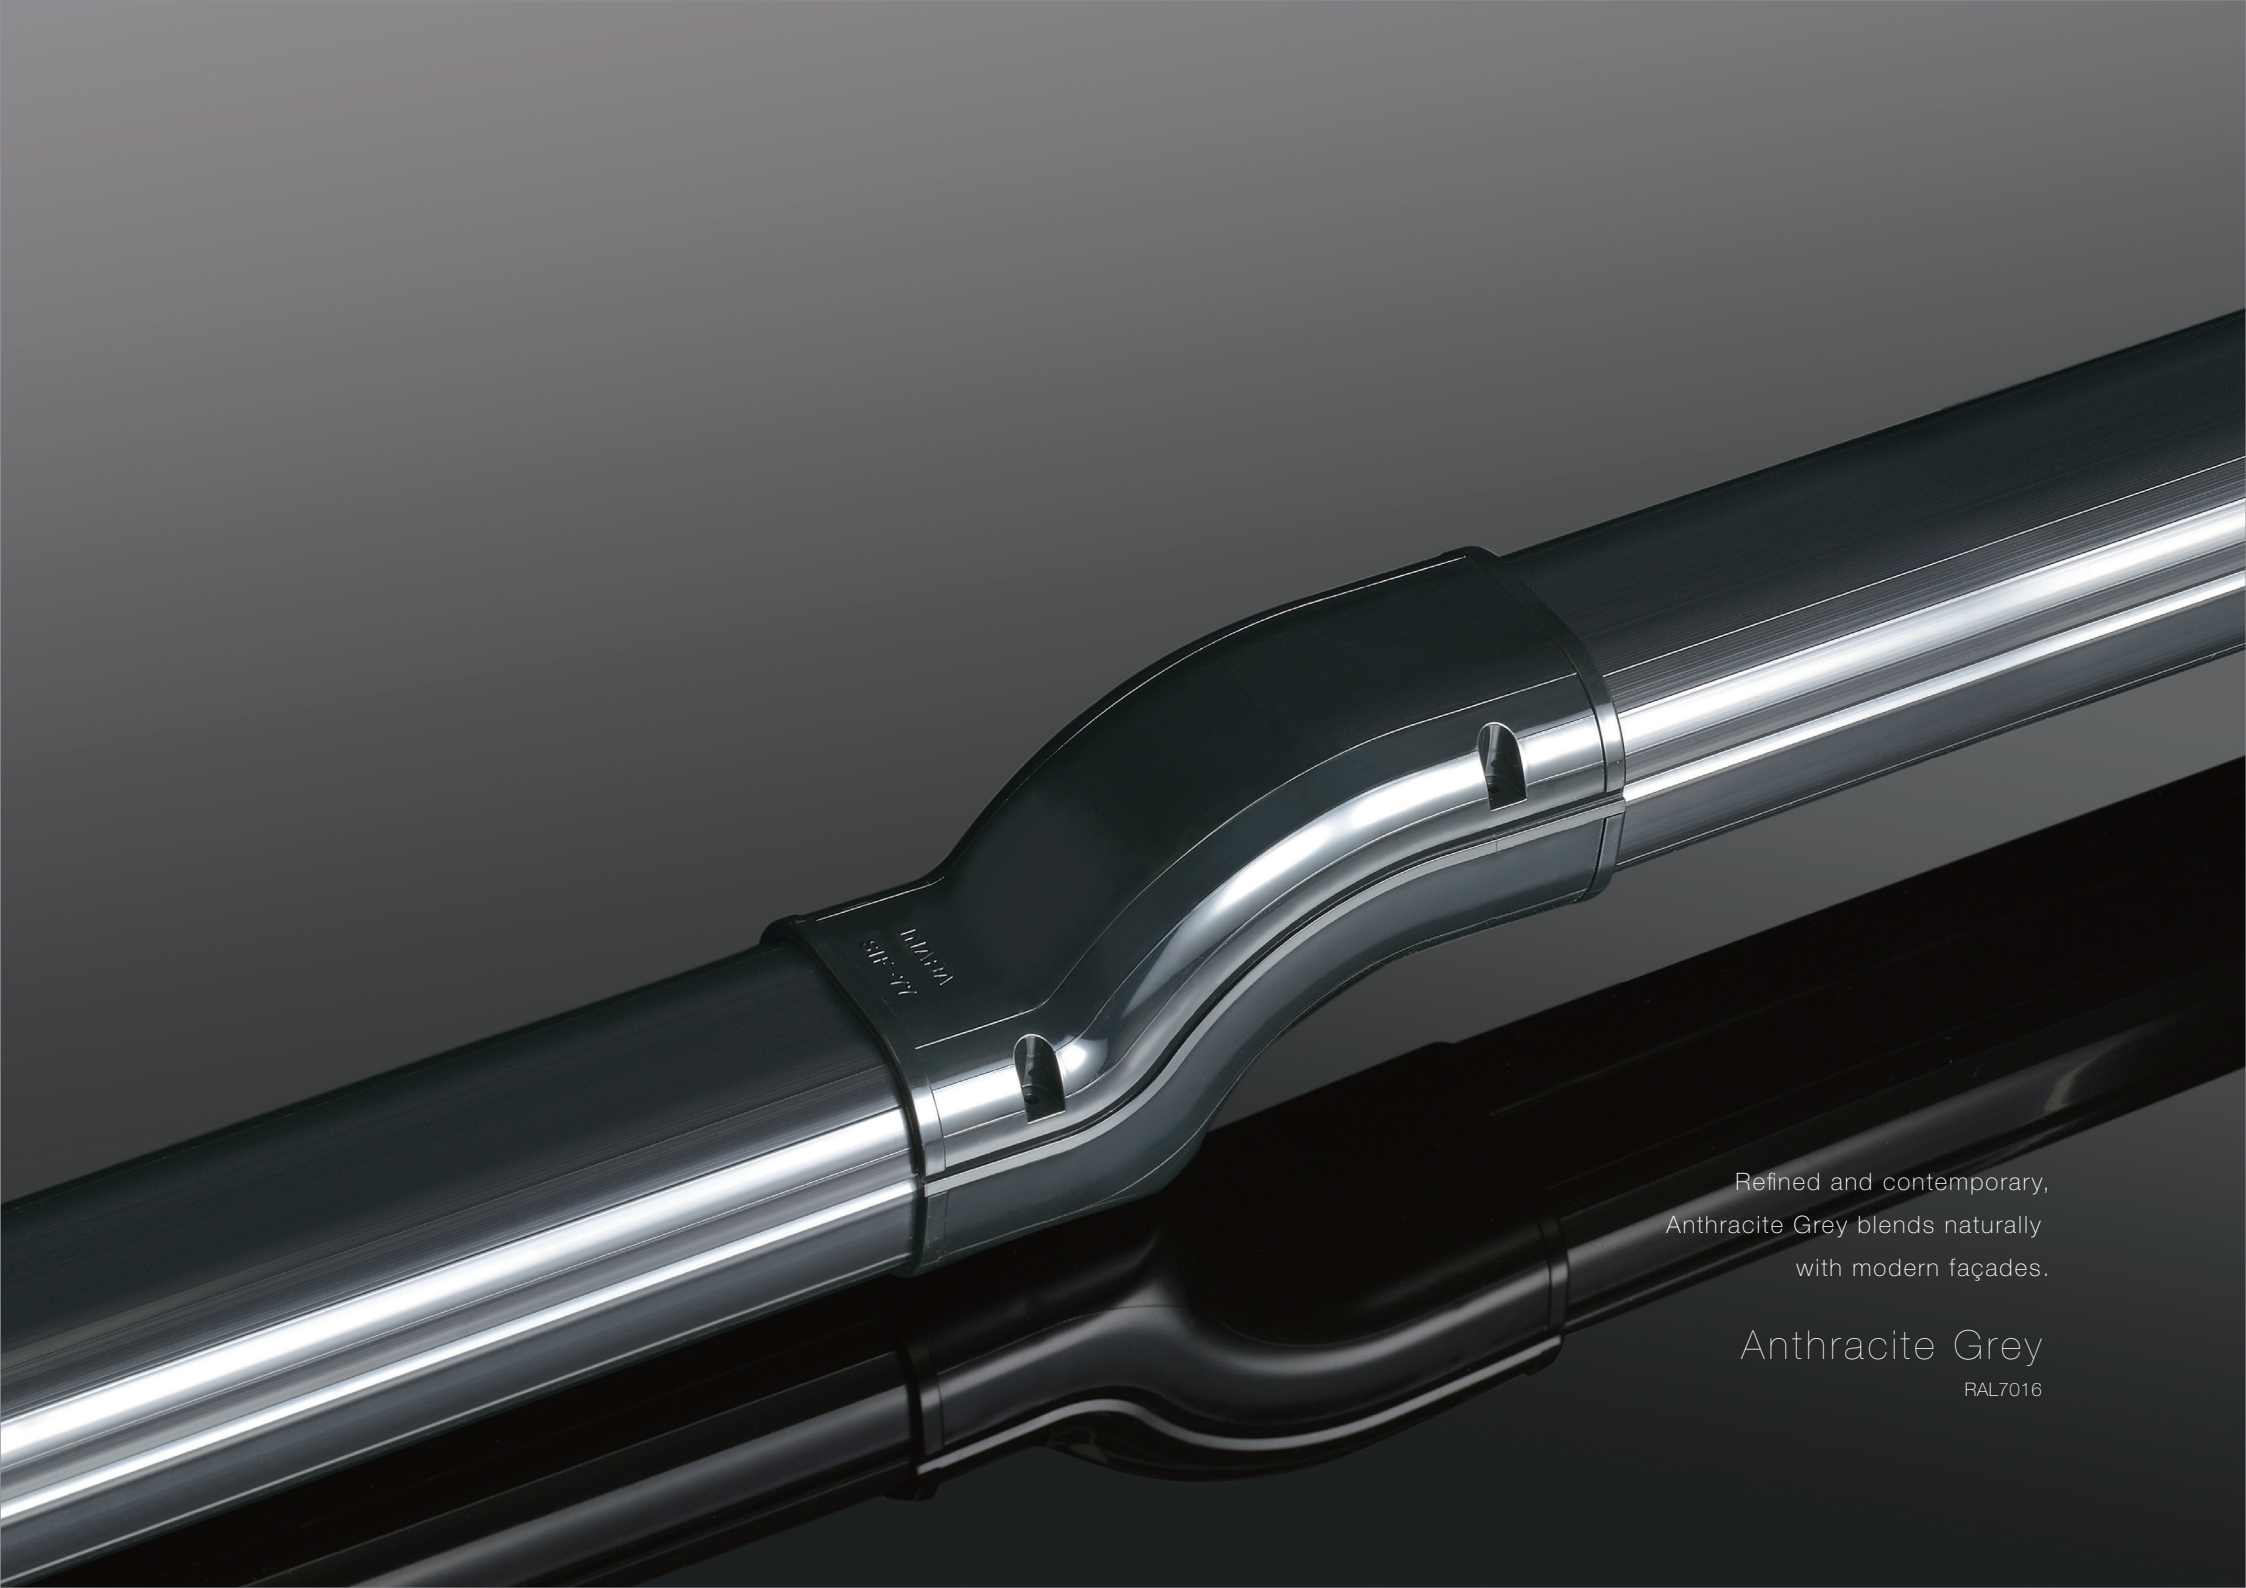

Black and Anthracite Grey —
two sophisticated colours designed to complement modern architecture.

Black

RAL9011

Bold and elegant,
Black creates a clean line
for modern exteriors.

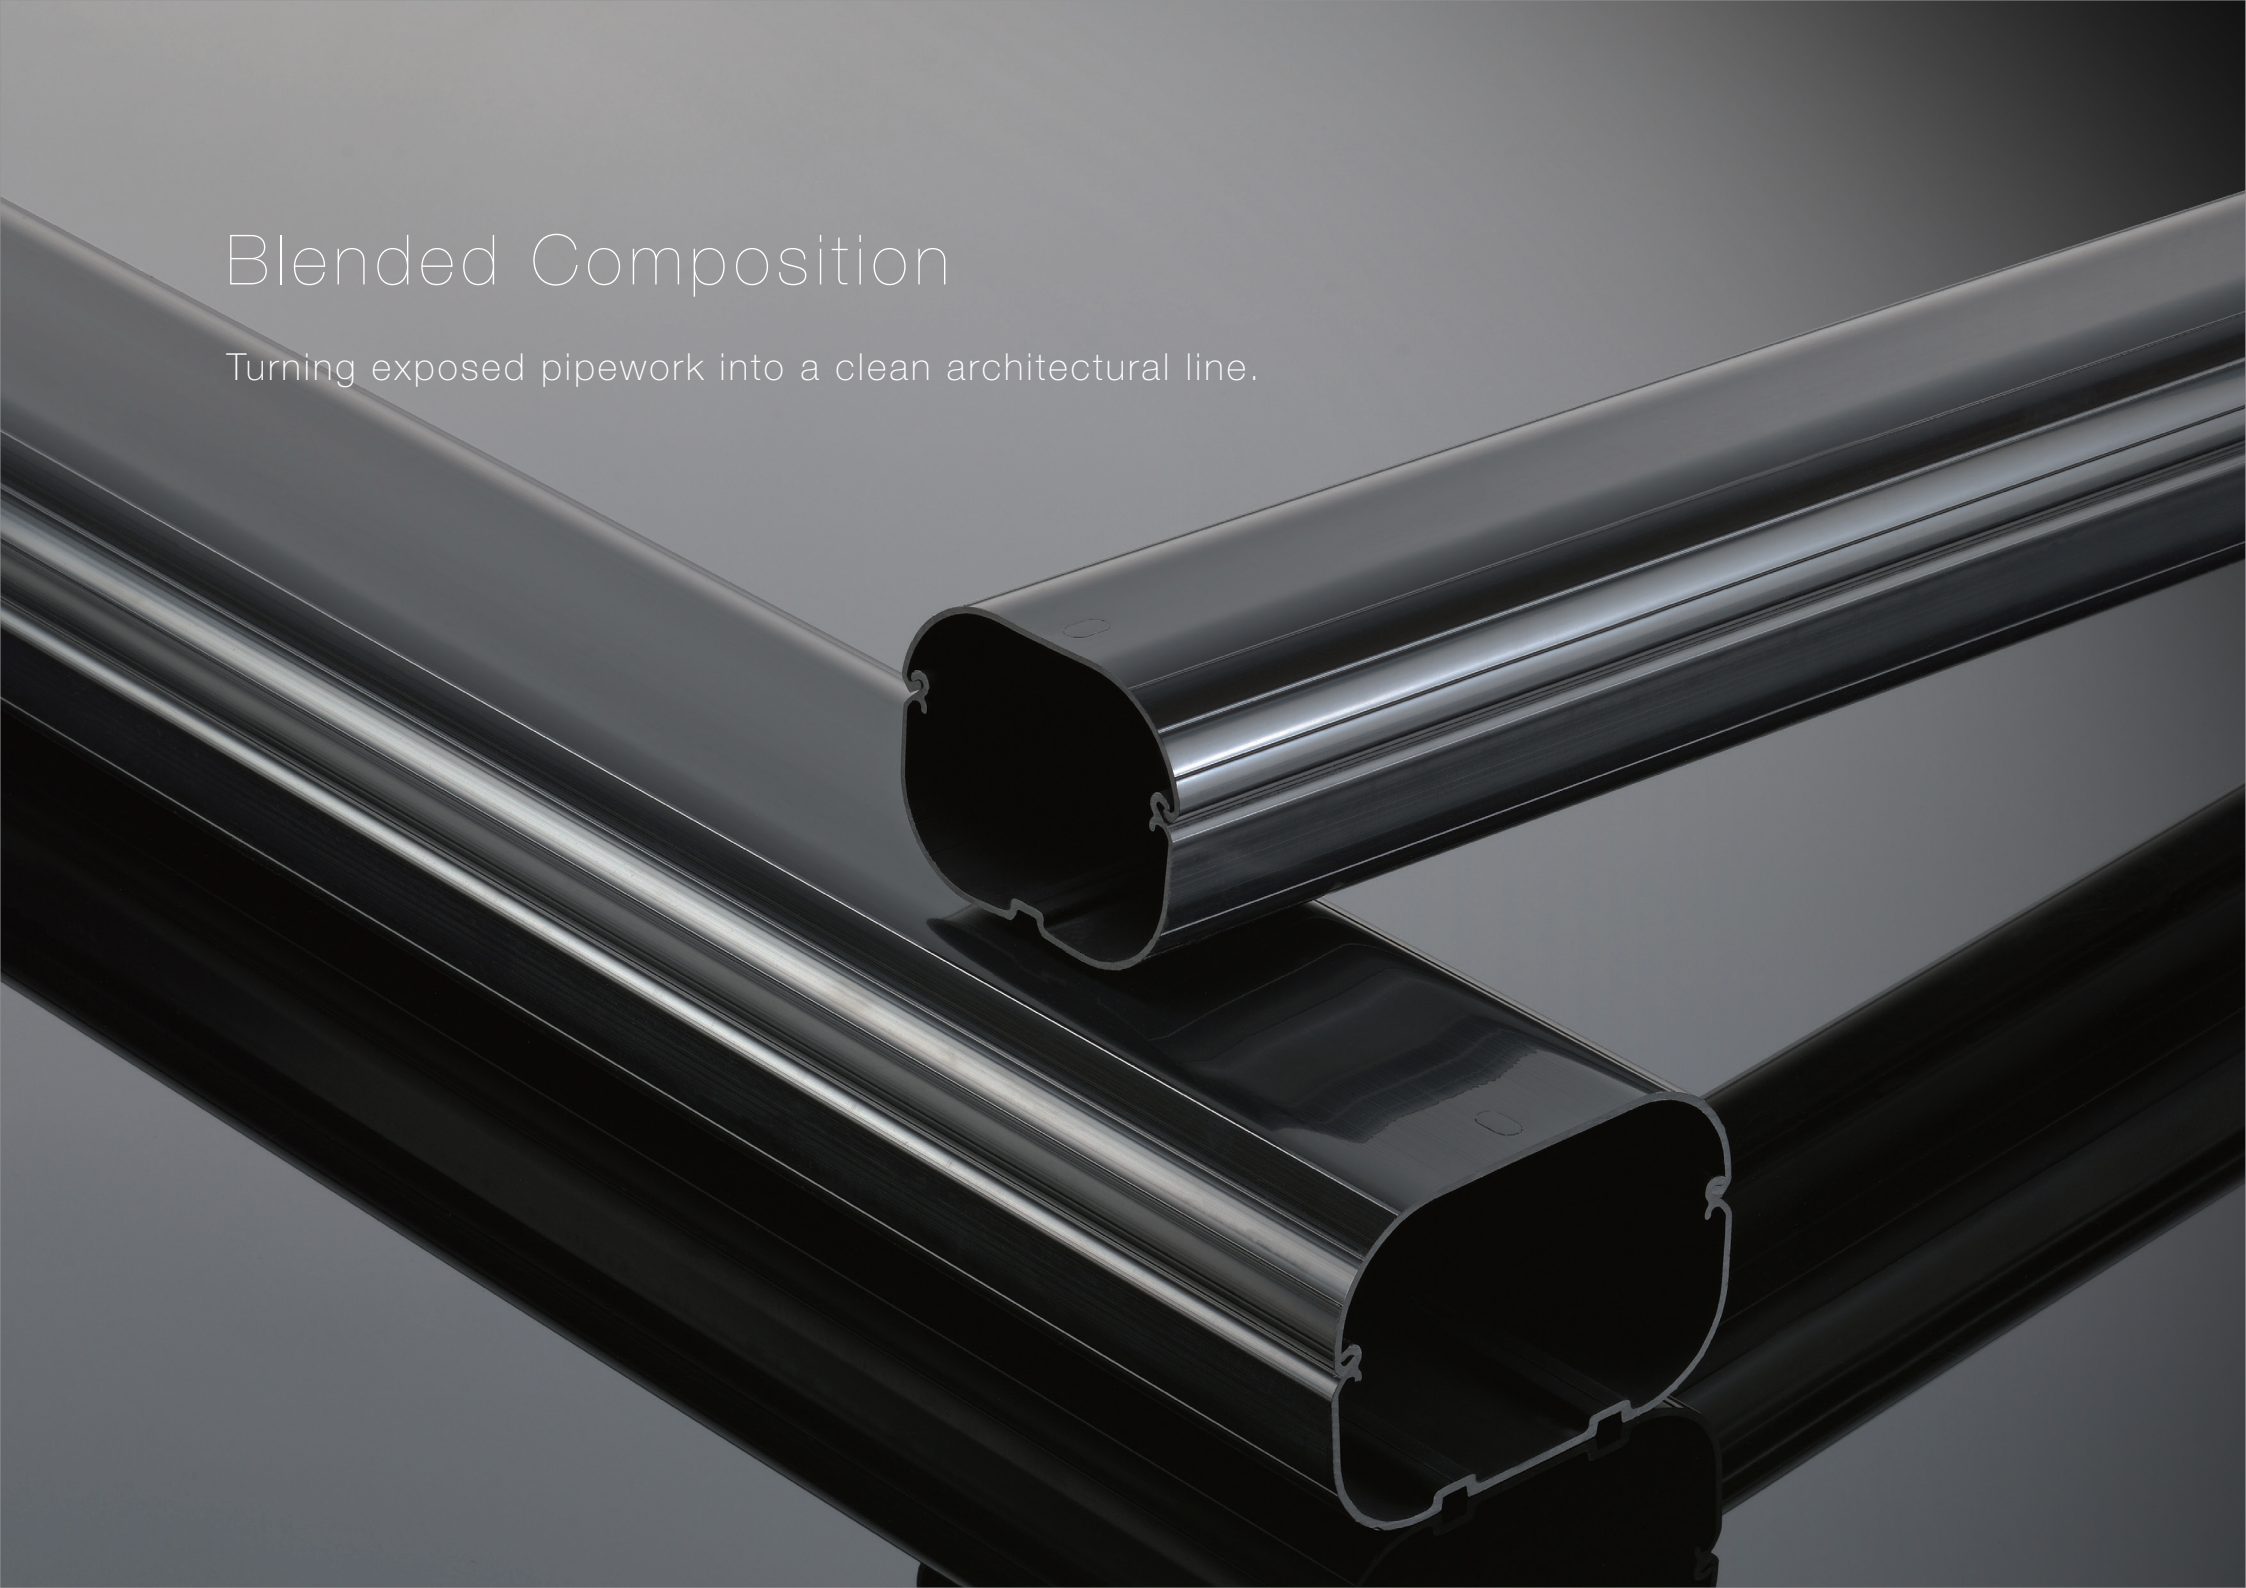

Refined and contemporary,
Anthracite Grey blends naturally
with modern façades.

Anthracite Grey

RAL7016

Blended Composition
Turning exposed pipework into a clean architectural line.

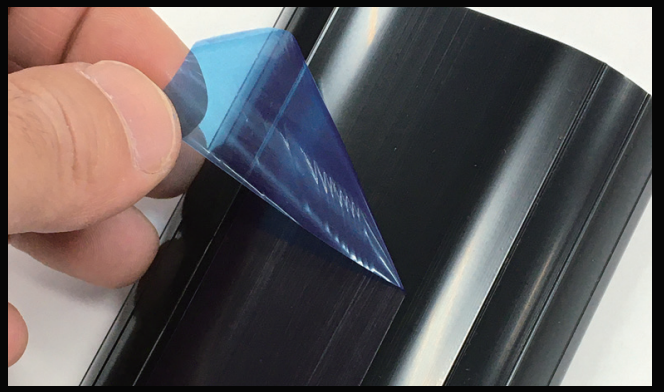

Refined Surface

Smooth Finish

SLIMDUCT Dark Colour Series remains shiny and brilliant for years. Simply wipe the surface to maintain its beautiful finish.

Protective Film

A protective film shields the surface from scratches before installation.

Heat Resistance

Before Testing

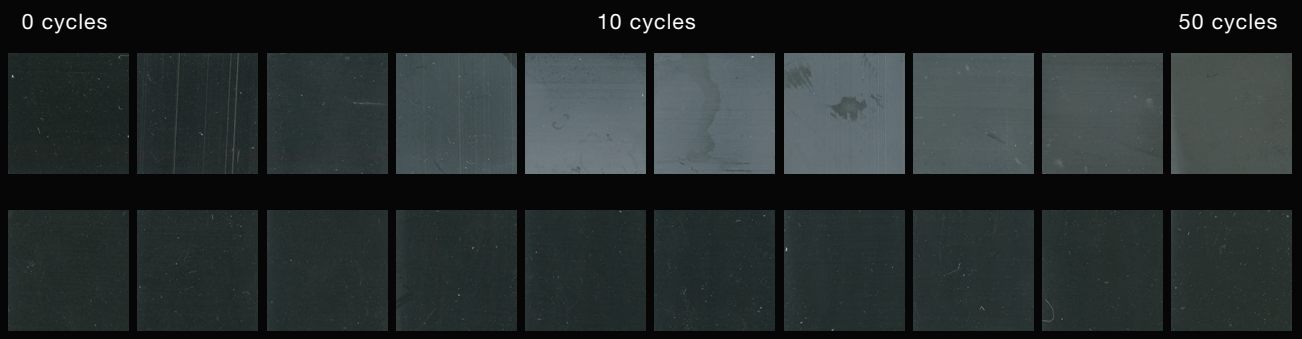

Putting INABA DENKO SLIMDUCT and competitor's product
in the Thermostatic oven to test the heat resistance on both products.

INABA DENKO SLIMDUCT keeps its shape even
when temperatures reach 80°C.

UV Test result

Competitor's Product

Competitor's black duct fades quickly after exposure to UV.

INABA DENKO

SLIMDUCT BLACK is not discolouring and is maintaining its original appearance.
